Established in 2004, Two Rivers takes its name from the iconic rivers that feed the winegrowing heart of Marlborough's renowned Wairau and Awatere valleys and which have been such a great influence in the life of founder, David Clouston.

After 22 vintages in the US, France, Spain and Chile, David returned to his home with an intimate knowledge of the region and a world of experience to form a wine brand which would reflect and express the diverse landscapes of Marlborough.

He scoured the Wairau and Awatere valleys to select his vines; not just vineyard by vineyard but row by row, being choosy about soils, climate, orientation and all manner of variables including the grower's viticulture philosophy. Selecting his fruit from the best terroirs of these two valleys allows

David to craft wines of complexity, depth and elegance.

Two Rivers wines include the Convergence Sauvignon Blanc, Juliet Riesling, Wairau Selection Pinot Gris and Altitude Pinot Noir.

The combination of experience, heritage and craftsmanship is evident in these complex but elegant, fruit-driven wines from Marlborough's most exciting new producer.
